

Sample Outcomes

- Participants in the prenatal care workshop will learn about how diet affects the development of the fetus.
- Callers into our phone bank will receive a resource guide that will make it easier for them to utilize resources in their community.
- Participants in our community organizing meeting will produce a summary of the resources available and develop a plan for increasing access to those resources.
- Participants of our job interviewing workshop will learn how to dress appropriately, produce a compelling resume and achieve greater confidence in their ability to succeed in an employment interview.
- Participants in our music and multiculturalism workshop will gain greater awareness of the way that music from other cultures has influenced contemporary popular music.
