## Count Down To Kindergarten

Playspace: A Child's First Museum , 400 Glenwood Ave. Raleigh, NC 27603-1220

**PLAYSPACE** is a non-profit children's museum dedicated to the education and development of young children through play.

On August 3, 2004, UNC-TV joined Playspace in an effort to prepare students for a successful school year starting with a **Countdown to Kindergarten** series of hands-on learning activities.

Parents received important information and children were introduced to valuable learning experiences. Special guests included Arthur and Piggly Winks from Jakers who greeted the children.
