A Message from the President of the Family Child Care Association
DeVonna Douglas

The Family Child Care Association of Wake County was established in May 1994. Our mission is to support, educate and promote family childcare as a profession and a childcare option in the community.

Why join the FCCA? Because of the value of a support group who share the joys and challenges of our chosen profession. We are advocates of professional quality childcare. We are committed to the development of young children, to be educated and informed and to building solid partnerships with parent and the community. We share, we learn and we have developed many great friendships over the years.

Thanks
DeVonna Douglas
President

MEMBERSHIP BENEFITS OF THE FAMILY CHILD CARE ASSOCIATION

The mission of the Family Child Care Association of Wake County is to support, educate and promote family childcare as a profession and child care option in the community.

The Family Child Care Association of Wake County is open to anyone in the community interested in supporting and improving family childcare within the community.

Benefits of Joining the Family Child Care Association of Wake County:

- *A Professional Organization – promoting community recognition and professionalism with our occupation. Participating in a professional association is one of the requirements for four and five star facilities.
- *Membership Book – full of a multitude of information for both the novice and the experienced provider.
- *Mentor Program – new members or new providers are paired with an experienced provider who serves as an on-call support service.
- *Referral Service – Association members can list childcare openings with the FCCA referral service.
- *Monthly Meetings – the meetings are a blend of social, business and educational components.
- *Class Credit – childcare credits is given for every meeting that includes a workshop
- *Monthly Newsletter – *The Provider* is a publication written just for the Triangle family childcare providers and is full of interesting and helpful information.
- *Scholarships – scholarships are available for accreditation through the National Association of Family Child Care or for State and National Child Care Conferences.
