

UNC-TV's

HOP

into a

National Park

UNC-TV's popular, book-loving marsupial mascot Read-a-Roo invites children of all ages to visit some of our state's most-beloved national parks to learn firsthand about their exquisite treasures. Partnering with Boys and Girls Clubs around the state and Cooperative Extension, UNC-TV welcomes many families who have yet to visit a National Park. Through screenings of **The National Parks: America's Best Idea**, readings from local authors, guided tours and activities from the Junior Ranger booklet, families will learn about how underserved populations helped create the National Park System and their unique role in the parks today.

These fun, **free**, family-friendly events are brought to you by our partners: Ken Burns **Untold Stories** and **The National Parks: America's Best Idea**, WETA, National Park Service sites, Boys and Girls Clubs and NC Cooperative Extension.

Moore's Creek National Battlefield
